Kanghua Glasses Co., Ltd., established in 1978, has been one of the leading enterprises in the domestic glasses accessories manufacturing industry after more than 40 years of development. Kanghua is the vice president unit of China Optometric and Optical Association. By adhering to the corporate mission of "serving the interests of customers" and the corporate values of "Integrity, Dedication, Friendliness and Reciprocity", the Company has always taken 'satisfying the needs of customers' as its own duty to gradually achieve its corporate vision of "mutual creation, mutual sharing".

Kanghua is assiduously engaged in the research and development and production of various glasses accessories products including springs, hinges, glasses temples, wire cores and nose bridges, etc. With selected materials, fine workmanship, novel styles and wide varieties, the products are sold well and highly recognized by the customers at home and abroad.

Kanghua is following the scientific management concept of "Striver oriented, For excellent Kanghua". It has passed the municipal government quality award review, the international social responsibility certification and ISO9001:2008 quality management system certification. By always adhering to the quality policy of "do everything for the customers' satisfaction" and the management objective of "pursuing safety, environmental protection, quality without shortcomings", the Company has strived to standardize the whole production process and ensure that the product quality is always under control. The Company has advanced automatic equipments and scientific and rigorous testing methods, which promoted the rapid development of informatization construction, and has successively introduced the SAP, Siemens PLM, Weaver OA and HR systems and other advanced management softwares, and built the Kanghua cloud computing platform, which greatly improved the information management level of the Company. On the occasion of the 40th anniversary of Kanghua, the City Education Bureau approved the establishment of the Kanghua Education Foundation. Kanghua has been successively honored the titles of 'Advanced Contract Honoring & Credit Keeping Unit in Zhejiang Province', 'Taizhou City Civilized Units', 'Taizhou City Famous Brand' and 'Top 100 Enterprises in Yuhuan' and 'Large Tax Payer', etc.

Kanghua accessories are helpful for demonstrating the taste and style of your glasses products, and we sincerely hope to establish long-term friendly and cooperative relations with customers and friends both at home and abroad and create a bright future together.

Technical drawing of a mechanical part showing front and top views with dimensions.

Front View (Top):

- Overall width: 8.5
- Distance between hole centers: 6.5
- Distance from left edge to first hole center: 1.7
- Distance from second hole center to right edge: 1.7
- Overall height: 3.3
- Distance from top edge to hole center line: 1.7
- Rightmost feature has a width of 1.5 and a height of 3.

Top View (Bottom):

- Overall width: $\varnothing$
- Distance from left edge to hole center line: J
- Two holes are shown, each with a diameter of $\varnothing 1.4$.
- Distance between hole center lines: 2
